# VAST-AUTO DISTRIBUTION ANNOUNCES THE OPENING OF A NEW SATELLITE WAREHOUSE IN OAKVILLE, ONTARIO

**MONTREAL, Quebec, (May 8, 2024)** - Vast-Auto Distribution, a premier distributor in the Canadian automotive aftermarket industry, is thrilled to announce the opening of its latest satellite warehouse in Oakville, Ontario.

The addition of this facility underscores Vast-Auto's unwavering commitment to customer service through availability and accessibility to quality automotive parts. As a cornerstone of Vast Auto's growth strategy, this expansion aligns with the company's mission to provide unparalleled support to its valued customers across Eastern Canada.

Currently, Vast-Auto operates two distribution centres and six satellite warehouses, serving 23 company-owned stores and a network of independent jobbers throughout the markets it services. The addition of the Oakville warehouse marks a significant milestone as the fifth facility in the province of Ontario, further solidifying its robust presence in the area.

Mauro Cifelli, president of Vast-Auto, expressed his enthusiasm for the company's latest endeavour. "We are extremely excited about this new facility that will offer a wide assortment of products," he said. "This expansion not only emphasizes our dedication to meeting the evolving needs of our customers but also reflects our ongoing commitment to driving excellent customer service. The addition of the Oakville location is poised to play an important role in our continued success and growth trajectory."

### About Vast-Auto Distribution

Vast-Auto Distribution, a wholly owned subsidiary of O'Reilly Automotive, Inc., is headquartered in Montreal, Quebec, and is a leader in the distribution and marketing of automotive parts for auto parts stores in Eastern Canada. Vast-Auto offers its customers a complete business solution, including a wide range of quality parts, innovative marketing programs, training, and business management systems. Vast-Auto currently operates 23 company-owned stores across five Canadian provinces.
